

Nomination for Membership

A hunt Subscriber wishing to nominate a prospective new member for both Riding and Social membership should fill out and sign this form following the established guidelines. The proposer should make nominees aware of all financial obligations. All information should be checked for accuracy with the prospective member. The candidate must be made known to a minimum of two Board Members, two Membership Committee members and the MFHs. The candidate must also fulfill the capping obligations in the hunt field (only social introductions are required for Social Membership) After completing these requirements, the sponsor will then present the nominee's application to the Membership Committee for acceptance at which time it will be forwarded to the Board. Upon approval of the Board, an invitation from the Masters of Foxhounds will be sent and the candidate will be billed the appropriate subscription fee.

NOMINEE, PLEASE RETURN FORM TO PROPOSER WHEN COMPLETED.

I hereby propose _____ for membership in the Tryon Hounds, Inc.
