

# Tips for Tryon Hounds' Virtual Auction and Auction Donation Campaign

The Tryon Hounds Virtual Auction can be found here:

<https://tryonhounds.betterworld.org/auctions/tryon-hounds-online-auction-2021>

1. Auction items can be viewed without an account, but in order to bid on an item you will be asked to set up an account (name, email address and password, and credit card information.)
2. When a bid is placed, you will be asked if you wish to “tip” our auction processor, Better World with 15% of your bid price.

*The auction software we are using is free of charge to us, so this is the tool they use to continue making the platform free for not for profit organizations.*

You can opt out of this contribution or change the amount of your tip using this field at the top of the form.

3. Bids are final and the winning bid will be processed after the close of the auction. Any ‘tip’ you do not opt out of will be collected at the time the bid is made.
4. You can set up a maximum bid for an item which will automatically cover bids superseding yours up to your maximum amount.
5. You can follow the progress of bidding on your item by logging into your account or by following the auction online.
